

Wapakoneta Middle School

5/24/16

School has come to an end with May being a month that was filled with excellent learning opportunities. Students and staff participated in a “one building, one book” read aloud. The title of the book was *Fish in a Tree*. Teachers took time during Redskin Resource to read the book out loud and guide discussions on the book’s content. The main character, Ally, is unable to read and she would rather get into trouble than let anyone know. She then has a teacher come into her life that figures out her secret and helps her to overcome it.

Today was our awards assembly which is always highlighted by the number of students that achieve honor roll status for the first three grading periods. This year, we had 233 students achieve this honor with A’s & B’s, while 102 students attained straight A’s. This achievement is a testament to how hard our students work.
