October 2017
Wapakoneta Middle School
Subject: Building Notes

Wapakoneta Middle School students and staff have just finished the first nine weeks of the school year with grades being due this morning. Teachers and staff are working hard to empower every student, every day to learn, lead, and achieve! This is often done by teachers reflecting and growing their teaching techniques.

We have been fortunate to have a PTO that works hard to raise money and support our students and staff. Because of their fundraising efforts, it has afforded our 5th grade students the opportunity to visit Aullwood Audubon Center and Farm in Dayton this month. They will also support the 6th grade field trip to StoneCo Quarry in Convoy, Ohio, and the 7th grade field trip to Victoria Theatre in Dayton to watch a performance of Martin's Dream. The teachers have worked hard to make sure that these excellent, educational experiences are connected to grade level curriculum. A huge thank you to the PTO for supporting these experiences.

Wapakoneta Middle School is currently participating in Red Ribbon Week. This week focuses on educating students on the benefits of staying drug and alcohol free. The rest of the week, the students will participate in themed dress days as well as enjoy presentations by local agencies on the negative effects of drug and alcohol use. A huge thanks to our guidance counselors, Mark Koch and Kristi Fisher, as well as Deputy Sheriff Blank for organizing these events.
